### RWE plans change of auditors

- **Supervisory Board decides to appoint Deloitte as new auditors for 2024 financial year**

Essen

On the recommendation of the Audit Committee, the Supervisory Board of RWE AG has decided to appoint Deloitte GmbH Wirtschaftsprüfungsgesellschaft as auditors for fiscal 2024. The shareholders will decide on the choice of Deloitte at the Annual General Meeting.

The change of auditors as of fiscal 2024 is required by law, as PricewaterhouseCoopers (PwC) will reach the legally prescribed maximum period for audits of the 2023 financial statements. The selection process was carried out at an early stage to allow the new auditors sufficient time to complete non-audit services, thereby ensuring their independence as well as a smooth transition.

## **RWE**

RWE is leading the way to a green energy world. With an extensive investment and growth strategy, the company will expand its powerful, green generation capacity to 50 gigawatts internationally by 2030. RWE is investing more than €50 billion gross for this purpose in this decade. The portfolio is based on offshore and onshore wind, solar, hydrogen, batteries, biomass and gas. RWE Supply & Trading provides tailored energy solutions for large customers. RWE has locations in the attractive markets of Europe, North America and the Asia-Pacific region. The company is responsibly phasing out nuclear energy and coal. Government-mandated phaseout roadmaps have been defined for both of these energy sources. RWE employs around 19,000 people worldwide and has a clear target: to get to net zero by 2040. On its way there, the company has set itself ambitious targets for all activities that cause greenhouse gas emissions. The Science Based Targets initiative has confirmed that these emission reduction targets are in line with the Paris Agreement. Very much in the spirit of the company's purpose: Our energy for a sustainable life.
