

RWE General Terms and Conditions for Purchase of Goods and Services (UK) - 03/2025

1. Contract and Term

- 1.1 Any **RWE group company** may be named in and raise a **written** purchase order (**order**). An **order** is an **offer** by **RWE** to purchase the goods, services and/or deliverables as described in the **order** (**goods, services, goods/services**) from the **Contractor** named in the **order** (**Contractor**). **Orders** for **goods/services** placed by **RWE** are subject to these conditions (together the general terms and conditions (**GTC**) and severally a **condition** (**condition**). **RWE** is the company stated in an **order** (**RWE**); **RWE group** are all the affiliated companies of RWE AG as described by of § 15 German Stock Corporation Act (AktG) (**RWE Group**); and an **RWE Group company** means any of them (**RWE Group company**).
- 1.2 The **Contractor** accepts **RWE's** offer either by expressly giving **RWE** a notice of **acceptance** in **writing** (including returning a signed **order**) or impliedly by fulfilling the **order** (in whole or part) in each case within fourteen (14) calendar days of the date of the **order** (**accept, acceptance**).
- 1.3 On and with effect from **acceptance** (**start date**), a **contract** is made between the **Contractor** and **RWE** which is comprised of and is subject to the contents of the **order** and these **GTC** (**contract**).
- 1.4 The **contract** begins on the **start date** and ends when all obligations under the **contract** have been fulfilled (**term**).
- 1.5 Terms and conditions of the **Contractor** or any acknowledgement from the **Contractor** or of correspondence relating to an **order** and any of the **Contractor's** quotes, proposals, **order acceptance** or terms and conditions set out in any of them or any other deviation from **RWE's GTC** are expressly excluded from this **contract**.
- 1.6 The **order** prevails over any of the **conditions**.

2. Interpretation

- 2.1 In these **GTC**:
 - (a) the use of 'including' and similar expressions does not limit the generality of any preceding words.
 - (b) unless the context otherwise requires, a reference to a statute or statutory provision includes any statute or statutory provision as enacted, re-enacted or amended either before or during the **contract term** and any subordinate legislation (as defined in section 21(1), Interpretation Act 1978) made under it.
 - (c) **Writing** (**writing**) includes a SAP order signed with electronic signature or a simple SAP order without electronic signature.
 - (d) a day is a calendar day unless described as a business day. A business day is any day excluding: Saturdays, Sundays and any other day when banks are not open in London.
- 2.2 A reference to **applicable law** means all law, statute or regulation in force as at the **start date** and as amended and which relate to this **contract**, the **goods/services**, **RWE's** site and the **delivery place** (including those relating to health and safety, competition, anti-trust, anti-money laundering, anti-corruption/anti-bribery, foreign trade, export control and sanction laws) (**applicable law**).

3. Non-Exclusivity/Group Benefit

- 3.1 The purchase of **goods/services** by **RWE** pursuant to this **contract** is on a non-exclusive basis and may be for the benefit of any **RWE group company**.

4. Contractor Obligations

- 4.1 The **Contractor**:
 - (a) supplies the quantities of **goods** and provides the **services** set out on the **order**;
 - (b) carries out all relevant risk assessments;
 - (c) ensures safe organisation and implementation of the supply of the **goods/services**; and
 - (d) supervises the supply of the **goods/services**, in each case in a competent, lawful, business-like manner and at all times acting in accordance with the **applicable law** and good industry practice.
- 4.2 The **Contractor** complies with:
 - (a) **RWE's** procurement policy (including sustainability) and other relevant policies (including health and safety and security) that **RWE** gives the **Contractor** access to or provides to the **Contractor**;
 - (b) **RWE's** reasonable directions; and
 - (c) local procedures and processes that **RWE** gives the **Contractor** access to or provides to the **Contractor** if the **Contractor** accesses **RWE's** property.
- 4.3 The **Contractor** delivers such **goods** as are necessary for the proper provision of the **services** and provides such **services** as are necessary for the proper supply and use of the **goods**.

5. Delivery

- 5.1 The **Contractor** is responsible (at its sole cost and risk including the cost to insure) for all transport, loading, collection, handling, storage, packing, unloading, unpacking, reception at site and supplying proof of **delivery** in each case as is reasonably necessary for the supply of the **goods/services** (**deliver, delivery**) and obtains and pays for all import permits or licences required for any part of the **goods** or the **Contractor's** equipment delivered duty paid (as defined in the Incoterms 2020).
- 5.2 **Delivery** includes the **delivery** of all tools and documentation (e.g. user manuals, health and safety data) relevant to the **goods/services** and their use.
- 5.3 The **Contractor** delivers **goods/services** by the time (**delivery date**), at the place (**delivery place**) and in the quantity as set out in the **order**.
- 5.4 Any signature from **RWE** on any delivery note or other documentation presented in connection with the **delivery** of the **goods/services** is evidence of receipt only and is not evidence that the correct quantity of **goods** has been **delivered** or that **goods/services delivered** otherwise comply with the requirements of this **contract**.
- 5.5 When the **Contractor** unloads **goods** to **deliver** them, it shall ensure that good manual handling practice is observed at all times, all lifting and unloading equipment is in a good and serviceable condition and that the **staff** of the **Contractor** are trained in the use of the **Contractor's** lifting and unloading equipment.
- 5.6 The **Contractor** complies with any relevant safety policy and procedures and **RWE's** reasonable instructions.
- 5.7 If any of **RWE's** personnel assist the **Contractor** to unload they are doing so under the **Contractor's** control.

6. Delivery Date

- 6.1 Without prejudice to **RWE's** rights, if the **Contractor** considers that it cannot **deliver** the **goods/services** on the **delivery date**, the **Contractor** must notify **RWE** of the delay as well as the circumstances causing the delay as soon as reasonably possible.

7. Delivery in Instalments

- 7.1 The **Contractor** may not **deliver** the **goods/services** in instalments unless stated in the **order** or unless **RWE** otherwise agrees in **writing** in advance.
- 7.2 If any of **goods/services** are ordered or **delivered** in instalments, this **contract** for the purchase of those goods is treated as a single **contract** and is not severable unless **RWE** says otherwise.

8. Standards/Quality

- 8.1 The **Contractor** **delivers** good marketable title free from encumbrances on all **goods/services** **delivered** by the **Contractor**.
- 8.2 The **goods/services**:
- (a) comply with all relevant **applicable law**;
 - (b) adhere to the technical, functional and performance specifications, descriptions or quality standards set out in the **order** or any other document supplied to the **Contractor** by **RWE**;
 - (c) are of satisfactory quality, fit for the purpose generally ascribed to such **goods/services** and also for the purpose specified by **RWE** and free from any defects;
 - (d) are provided with all due skill and care;
 - (e) do not infringe **RWE's** intellectual property rights (including copyright) (**IPR**) or that of any third party;
 - (f) correspond to any description or previous sample supplied by the **Contractor**.
- 8.3 The **goods** are:
- (a) **delivered** in the quantity as set out in the **order**;
 - (b) of sound material and workmanship;
 - (c) new and free from any lien, charge or other encumbrance;
 - (d) fit for use in conjunction with the **services** (if applicable) and for any other purpose which is indicated in the **order** or otherwise made known to the **Contractor** (in each case either expressly or by implication).
- 8.4 The **Contractor** passes on the benefit of all manufacturers' and any other relevant third party warranties and/or guarantees to **RWE** in relation to the **goods/services**.

9. Labelling, Advice Notes and Packaging of Goods

- 9.1 The **Contractor** clearly marks the **goods** with **RWE's** name, address, **order** number and supplies an advice note (detailing the name or description of the **goods**, mode of transport, per component and/or per each item **delivered**, the item number, weight, number or volume and point and date of dispatch) and any other information **RWE** notifies to the **Contractor** that **RWE** requires. The advice note makes it clear that the **Contractor** is the supplier of the **goods** and the date and place of manufacture, where relevant.
- 9.2 The **Contractor** properly labels the **goods** and supplies them with all necessary warnings, instructions and other information relevant to their storage and use, including, where applicable, any onward transport and/or lifting requirements.
- 9.3 The **Contractor** notifies **RWE** about any hazards to health, safety or the environment with full details of the hazardous content and/or nature of the **goods/services** and details of correct measures to be taken in the event of exposure or spillage.
- 9.4 The **Contractor** properly packs the **goods**, secures them and transports them in such a manner as to enable them to reach the **delivery place** without damage and in good and new

condition.

- 9.5 **RWE** does not need to return to the **Contractor** any packaging materials used in the transportation or **delivery** or supply of any **goods/services**.
- 9.6 The **Contractor** removes and disposes of any waste in compliance with relevant **applicable law**.

10. Inspection and Testing

- 10.1 The **Contractor** allows **RWE** to inspect and test the **goods/services** (and if necessary, re-test and re-inspect) where and when **RWE** deems it is appropriate to do so or as otherwise required by **applicable law**. **RWE** may also include testing and inspection requirements in its **order**.
- 10.2 Where **RWE** tests or inspects or attends the **Contractor's** tests or inspections, the **Contractor** co-operates with **RWE** and gives **RWE** access to all relevant places, documents and any other information. If a fault is found, **RWE** may recover any of its costs from the **Contractor** to re-inspect and/or re-test. If, to resolve a dispute or otherwise, **RWE** arranges an independent person to test, inspect, re-test or re-inspect the **goods/services**, then the **Contractor** and **RWE** are each bound by the outcome of such independent test or inspection. Any test or inspection that **RWE** attends or arranges is not an admission or an acceptance by **RWE** that the **goods/services** comply with this **contract**.

11. Title and Risk

- 11.1 Title to **goods** passes to **RWE** on the earlier of payment or **delivery** to the **delivery place**.
- 11.2 Where title in the **goods** passes to **RWE** and where the **goods** have not yet been **delivered** to **RWE**, the **Contractor**:
- (a) keeps the **goods** separate from any similar goods owned by the **Contractor** or any third party;
 - (b) properly stores, protects and identifies the **goods** as **RWE's** property; and
 - (c) **delivers** up the **goods** to **RWE** on request and if the **Contractor** does not, **RWE** may enter any of the **Contractor's** premises or those of the **Contractor's** suppliers or of any other third party where **RWE** reasonably considers that the **goods** are stored and repossess them.
- 11.3 Whether or not title has passed, on **delivery**, **RWE** may install or otherwise use the **goods** in the ordinary course of **RWE's** business.
- 11.4 Risk in the **goods** only passes to **RWE** on safe and complete **delivery** to the **delivery place**.
- 11.5 Where, in the provision of the **services** such as dismantling or repairing, materials (including asset components) are created or identified and the removal of them is not part of the **services** then title in them remains with **RWE** and risk in them remains with the **Contractor**. Unless the **contract** states otherwise, the **Contractor** brings these to **RWE's** attention, makes them available for **RWE's** use and keeps them safe and tidy until **RWE** removes them or asks the **Contractor** to remove them.

12. Price, Invoicing and Payment

- 12.1 In consideration for and upon the successful **delivery** of the **goods/services** **RWE** pays the price in the fixed price amounts, at the rate and/or at the frequency set out in the **order** (**fee**).
- 12.2 The **fee** is exclusive of any value added tax payable for the supply of the **goods/services** (**VAT**) but is inclusive of all other matters including freight, import and/or export duties (including import VAT), insurance and other delivery costs and out-of-pocket expenses including subsistence, accommodation, supply of

equipment or tools, payment of the **Contractor's staff** (including salaries, wages, bonuses and other emoluments, statutory charges and levies, pension provisions, overtime or payments for working unsociable hours) and compliance with all obligations under this **contract**.

- 12.3 The **Contractor** takes into account all materials and activities required to supply the **goods/services**, all its costs and expenses and all its obligations under this **contract** in setting the **fee**.
- 12.4 The **Contractor's** invoices must show: its date, invoice number, the **Contractor's** name and address, a **VAT** breakdown, the order number and the **fees**. The **Contractor** supplies all other information or supporting documentation that **RWE** may reasonably require with the invoice or otherwise upon request.
- 12.5 The **Contractor** sends its invoices in the format and to the address as required by **RWE** in the **order**.
- 12.6 **RWE** pays invoices within thirty (30) days from the date of receipt. If **RWE** disputes an invoice, **RWE** may on **written** notice withhold payment of the disputed amount until resolution of the dispute.
- 12.7 If payment is not made on undisputed amounts when due, the party awaiting payment may charge interest at 3% per annum above the base rate of HSBC Bank plc accruing daily and compounded monthly on all unpaid and undisputed amounts. **RWE** and the **Contractor** each agree that such interest is a substantial remedy for late payment of any amount payable for the purposes of the Late Payment of Commercial Debts (Interest) Act 1998.
- 12.8 Any sum payable under this **contract** for a taxable supply is exclusive of **VAT** payable on it (save for import VAT which is included in the **fees**) and the recipient of the supply shall pay an amount equal to such **VAT** in addition to any such sum on receipt of a valid **VAT** invoice from a supplying party.
- 12.9 **RWE** may at any time set off any of the **Contractor's** liability to **RWE** or to any **RWE group company** against any liability that **RWE** or any **RWE group company** may owe to the **Contractor** in each case in relation to this **contract** and **RWE** informs the **Contractor** if **RWE** makes any such set off.
- 12.10 Any payment does not affect any rights or obligations of either the **Contractor** or **RWE** and does not mean that **RWE** accepts that the **Contractor** has fully complied with its obligations under this **contract**.

13. Change and Variation

- 13.1 **RWE** may, in **writing**, request a change to these **GTC** and/or an **order** (including a **delivery date** or a **delivery place**) in each case at any time prior to the **delivery date**.
- 13.2 Where a change is requested and is not material, the change is made with no adjustment to the **fee** or **delivery date** unless **RWE** agrees. Where a change is requested and is material, the **Contractor** and **RWE** shall seek to agree the change including any change in the **fee**, the **delivery date** or the **delivery place**.
- 13.3 If the **Contractor** and **RWE** are unable to agree a change, then either:
 - (a) **RWE** does not proceed with the change; or
 - (b) the **Contractor** or **RWE** can escalate the matter for resolution; and
 - (c) if no agreement is reached via escalation, **RWE** may elect either not to implement the change or instead, to terminate the **contract** for no fault.
- 13.4 Subject to the above provisions of this **condition**, no variation of this **contract** or any part of it is valid unless it is in **writing**, expressed to be a

variation to this **contract** and signed or approved by or on behalf of each of the **Contractor** and **RWE**.

14. Guarantee

- 14.1 The **Contractor** guarantees that **goods/services** are and will remain compliant with this **contract** for a minimum of twenty-four months from **delivery** or any longer period if set out in the **order** (**guarantee period**).
- 14.2 Where any **goods/services** are repaired or replaced, the **guarantee period** commences again on **delivery** of any repaired or replaced **goods/services**.

15. Default and Remedy

- 15.1 If the **Contractor** does not comply with any **applicable law** or any of these **GTC** (including if **goods/services** are not **delivered** or completed by the **delivery date**) or if during the **guarantee period**, **RWE** finds a defect in design, materials or workmanship (together or separately a **default** (**default**)) then the **Contractor** is liable for the **loss** suffered by **RWE** as a result of that **default**.
- 15.2 Where **RWE** is able to, without it causing **RWE** additional **loss**, **RWE** notifies the **Contractor** of the **default** and asks the **Contractor** to repair or rectify it if **RWE** thinks the **default** is capable of remedy.
- 15.3 **RWE** may, without prejudice to any other rights and remedies in this **contract** or at law, on written notice to the **Contractor** with **RWE's** reasons:
 - (a) suspend **delivery** of **goods/services** for any period reasonable in the circumstances;
 - (b) ask the **Contractor**, at **RWE's** discretion, to replace/rectify the **default** within a reasonable timescale required by **RWE** where possible; and/or
 - (c) if **RWE** does not think the **Contractor** will be able to replace/rectify the **default** or if the **Contractor** has tried to do so and failed, **RWE** may itself replace/rectify the **default** or ask another person to do so; or
 - (d) if **RWE** does not consider that it is possible or appropriate for the **Contractor** to replace/rectify the **default** or if **RWE** asks the **Contractor** to do so and the **Contractor** fails, reject the **goods/services** (in whole or part) and/or rescind or terminate the **contract** (in whole or part); or
 - (e) **accept** the **default** in consideration for a reduced **fee** appropriate to take account of the nature and extent of the **default**.
- 15.4 The **Contractor** pays to **RWE** the value of:
 - (a) the **goods/services** paid by **RWE** for any cancelled/rejected **goods/services** or if **RWE** terminates or rescinds the **contract**; plus
 - (b) any direct cost incurred by **RWE** in relation to the **default** including any additional cost to **RWE** to replace or rectify the **Contractor's** delay or failure; plus
 - (c) any payments due and payable by **RWE** to third parties because **RWE** relied on the **Contractor** to comply with the **Contractor's** obligations under this **contract**.
- 15.5 Where **RWE** gives the **Contractor** notice that the **Contractor** is in **default**, **RWE** may, at its discretion and if to do so mitigates **RWE's** **loss** and in any event without affecting **RWE's** rights, use and/or receive the benefit of any **goods/services** that the **Contractor** may already have **delivered**, whether they are in **default** or not, in the usual course of **RWE's** business until the **Contractor** replaces and/or rectifies the **default**.
- 15.6 Where the **Contractor's** **default** causes **loss** to any third party, then the **Contractor** indemnifies

RWE for any **loss** incurred and/or suffered by or awarded against **RWE** by such third party and no maximum liability cap applies to this indemnity.

- 15.7 Where the **default** relates to the **Contractor's** unlawful restraint of competition or any other breach of anti-trust or anti-competitive **applicable law** in each case prior to, during or on expiry or earlier termination of the **term**, the **Contractor** shall pay to **RWE** by way of liquidated damages and without affecting other rights and obligations the sum equivalent to 15% of the aggregate **fees** (which as at the **start date** could reasonably be expected to become due and payable on satisfactory performance of the **contract**). The **Contractor** agrees that such liquidated damages are proportionate to **RWE's** legitimate interests and are not a penalty.

16. Insurance

- 16.1 Without prejudice to any rights or obligations under the **contract** or at law, the **Contractor** takes out and maintains insurance: in force for the **term** and for the period of time over which the **Contractor** has continuing liabilities under this **contract** and/or **applicable law**; placed and maintained with reputable and substantial insurers with a UK branch; and of the nature and extent as would reasonably be expected taking into account the nature and extent of the **Contractor's** obligations under this **contract** and/or **applicable law**. Such insurance includes the insurance cover set out in this **condition** below, to be evidenced by certificates of insurance made available to **RWE** within seven (7) days of an **RWE** request:
- (a) employer's liability insurance in the amount of at least £5,000,000 for any one occurrence or the amount required by **applicable law**, whichever is higher;
 - (b) public, product and environmental liability insurance including against liability to third parties for any death or personal injury and **loss** of or damage to any physical property including the goods in each case arising out of or in connection with the carrying out of the **delivery of goods/services** in the amount of at least five million pounds GB sterling (£5,000,000) for any one occurrence;
 - (c) such other insurances as **applicable law** requires.
- 16.2 Deductibles applying under any insurance are for the **Contractor's** account where such deductibles relate to **loss** for which the **Contractor** is responsible under the **contract**.
- 16.3 Where the **Contractor** receives insurance proceeds from the **Contractor's** insurers relating to an insured event under this **contract**, the **Contractor** pays to **RWE** such sums as are claimed from and/or are due and payable to **RWE** from such insurance proceeds and/or uses them solely to replace/rectify any associated default.

17. Exclusions and Limits of Liability

- 17.1 Neither the **Contractor** nor **RWE** excludes or limits liability for:
- (a) fraud, wilful default or deceit;
 - (b) fraudulent or negligent misrepresentation;
 - (c) death or personal injury caused by negligence;
 - (d) breach of section 12 of the Sale of Goods Act 1979 or Section 2 of the Supply of Goods and Services Act 1982;
 - (e) any liability that cannot be excluded or limited by **applicable law**.
- 17.2 Neither the **Contractor** nor **RWE** is liable by reason of any **default** for any indirect or consequential loss or damage in contract, tort (including negligence) or breach of statutory duty,

misrepresentation or otherwise arising out of or in connection with this **contract**. Indirect and consequential loss includes but is not limited to: indirect profit, loss of contract, loss of revenue, loss of goodwill, loss of production or loss of anticipated savings. This condition 17.2 does not apply in respect of any liquidated damages which are payable under this **contract**.

- 17.3 Any liability of **RWE** to the **Contractor** or the **Contractor** to **RWE** in contract, tort (including negligence) or breach of statutory duty, misrepresentation or otherwise arising out of or in connection with this **contract** in each case is limited in the aggregate to a sum equal to double the sum of the **fees**. **RWE's** cap on liability to the **Contractor** excludes **RWE's** liability to pay the **Contractor fees** which are or become due and payable for **goods/services** that the **Contractor delivers** under the **contract**. The **Contractor's** cap on liability to **RWE** excludes the cost to the **Contractor** to fix a **default** in the **goods/services**.
- 17.4 Each cap on liability excludes:
- (a) any debt or liability where a separate maximum liability is stated in this **contract**; and/or
 - (b) sums recoverable and/or recovered from insurers in relation to the insurance that is required to be taken out under this **contract** subject to a maximum of the value of minimum level of insurance which this **contract** requires.
- 17.5 The **Contractor** and **RWE** each has an obligation to take such steps as it is reasonably practicable to do so to mitigate any **loss**, costs or expense which the **Contractor** or **RWE** may suffer or incur as a result of a **default** and nothing in this **condition** limits or excludes this obligation.

18. Force Majeure

- 18.1 Neither the **Contractor** nor **RWE** is liable for any exceptional event beyond their respective reasonable control which was not reasonably foreseeable as of the **start date** and which directly causes the **Contractor** or **RWE** to be unable to comply with all or a material part of their respective obligations under the **contract** (**event of force majeure**) PROVIDED THAT such event does not arise from the **Contractor's** or **RWE's** act, omission or negligence.
- 18.2 An **event of force majeure** is not:
- (a) a strike by or lockout or other industrial dispute or trade dispute involving any of the **Contractor's staff**;
 - (b) non-supply of **goods** or equipment by any of the **Contractor's staff** to the **Contractor**; or
 - (c) the **Contractor's** failure to hire suitably qualified **staff**; or
 - (d) mechanical or electrical breakdown or failure of any of the **Contractor's** or the **Contractor's staff's** equipment, machinery or plant; or
 - (e) insolvency or similar financial difficulties.
- 18.3 Covid 19 pandemic (including any mutation thereof) is itself not deemed to be an **event of force majeure** because it is foreseeable as of the **start date**. Measures to address Covid 19 are to be included in the **contract**. If such measures materially change after the **start date** that change could constitute an **event of force majeure**.
- 18.4 Any other pandemic is an **event of force majeure** provided the criteria in condition 18.1 are met.
- 18.5 If either the **Contractor** or **RWE** is affected by an **event of force majeure**, the **Contractor** or **RWE** as the case may be:
- (a) immediately issues written notice to the other of the nature and extent of the **event of force majeure** and details of any adverse impacts of

it on the ability to perform obligations under the **contract**; and

- (b) take such steps as are reasonably practicable in all the circumstances and in consultation with each other to prevent, mitigate and reduce to a minimum the adverse effect of any **event of force majeure**.

18.6 If:

- (a) a **written** notice in relation to an **event of force majeure** is not withdrawn within thirty (30) days or such other longer period of time as **RWE** may determine; or
- (b) **loss** is incurred by **RWE** which exceeds in aggregate a sum equal to 50% of the **fees** which would otherwise be due and payable under the **contract** for the **term** but for any disruption or suspension by an **event of force majeure** (or any higher sum as **RWE** may determine),

then **RWE** may on written notice terminate the **contract** on a no fault basis with immediate effect.

18.7 Unless terminated under **condition** 18.6, when the **event of force majeure** ceases, the **Contractor** and **RWE**, in consultation with each other, take such steps as are reasonably practicable in all the circumstances to resume normal performance of their respective obligations under the **contract**.

19. Termination

19.1 **RWE** may terminate this **contract** at will at any time by giving **written** notice to the **Contractor**.

19.2 Either the **Contractor** or **RWE** may terminate the **contract** immediately by notice if:

- (a) the other is in material breach of any of its obligations under the **contract** and the breach is not capable of remedy; or
- (b) the other is in material breach of any of its obligations and fails to remedy the breach (if capable of remedy) within fourteen (14) days of a **written** notice requesting such remedy (a breach is considered capable of remedy if time is not of the essence in performance of the obligation and if the person in default can comply with the obligation within the thirty (30) day period given to comply); or
- (c) the other becomes insolvent, bankrupt, is in liquidation, administration or receivership, makes an arrangement with its creditors, is unable to pay its debts or suffers possession or sale by an encumbrancer of any of its assets or is subject to orders or events leading to any of the foregoing or suffers any analogous event; or
- (d) ceases or threatens to cease to trade or ceases to comply or threatens to cease to comply with its obligations under this **contract** in each case for thirty (30) consecutive days; or
- (e) demonstrably commits an unlawful restraint of competition or any other breach of anti-trust or anti-competitive **applicable law**; or
- (f) otherwise a right to terminate accrues pursuant to any **condition** of this **contract** or at law.

19.3 Where **RWE** may terminate the **contract**, **RWE** may instead terminate the **contract** in respect of part only of the **goods/services** and, in which case, the **contract** continues in respect of the **delivery** of the remaining **goods/services**.

19.4 Any rights to terminate under this **contract** are without prejudice to any other rights the **Contractor** or **RWE** may have at law to terminate the **contract** or to **accept** any breach of this contract as having brought the **contract** to an end (including, where relevant, a right to claim

repudiatory damages).

19.5 Where the **Contractor** is in **default** because the **Contractor** has demonstrably been involved in unlawful restrictions of competition at **RWE's** expense, then in addition and/or instead of the remedy available to **RWE** under **condition** 15 (*Default and Remedy*) **RWE** may immediately on **written** notice either rescind or terminate the **contract**. In the event of rescission, the relevant **applicable law** applies.

20. Consequences of Termination

20.1 Termination or expiry of the **contract** will not:

- (a) affect any rights or liabilities accrued as at the date of expiry or earlier termination;
- (b) affect the coming into force or the continuation in force of any provisions which expressly or by implication are intended to come into force or continue in force on or after the termination or expiry.

20.2 On termination or expiry the **Contractor**:

- (a) immediately **delivers** to **RWE** any **goods/services** that **RWE** has paid for;
- (b) discontinues the provision of further **goods/services**; and
- (c) to the extent permitted by law, promptly deletes, destroys or returns to **RWE** any and all of **RWE's** or **RWE group's confidential information**, personal data and/or property including **IPR** and any data stored on the **Contractor's** infrastructure then in the **Contractor's** or the **Contractor staff's** possession or control and on request, certifies any such deletion, destruction or return.

20.3 If the **Contractor** fails to do so, then **RWE** may without limiting **RWE's** other rights or remedies enter the **Contractor's** premises or other place where they are and take possession of them.
