

RWE General Terms and Conditions for Purchase of Goods and Service (France) – 09/2023

1. Contract

- 1.1 Any RWE group company (**RWE**) may be named in and raise a **written purchase order (order)**. An **order** is an offer by **RWE** to purchase the goods, services and/or deliverables as described in the **order (goods, services, goods/services)** from the contractor named in the **order (Contractor)**. **Orders** for **goods/services** placed by **RWE** are subject to these conditions (together the General Terms and Conditions (**GTC**) and severally a condition (**condition**)).
- 1.2 The **Contractor** accepts **RWE's** offer by expressly giving **RWE** a notice of acceptance in writing (including returning a signed **order**) (**accept, acceptance**).
- 1.3 On and with effect from **acceptance (start date)**, a contract is made between the **Contractor** and **RWE** which is comprised of and subject to the contents of the **order** and these **GTC (contract)**.
- 1.4 Terms and conditions of the **Contractor** or any deviation from **RWE's GTC** are expressly rejected by **RWE**.
- 1.5 The **order** prevails over any of the **conditions**.

2. Interpretation

- 2.1 In these **GTC**:
 - (a) the use of 'including' and similar expressions does not limit the generality of any preceding words.
 - (b) unless the contractual context otherwise requires, a reference to a statute or statutory provision includes any statute or statutory provision as enacted, re-enacted or amended either before or during the **contract term**.
 - (c) Writing (**writing**) means messages sent or received via post with a manuscript signature. If the **Contractor** and **RWE** expressly agree, a **Contract** may also be concluded with a simple electronic signature.
- 2.2 A reference to applicable law shall mean all relevant French law, statute or regulation in force at any time which relates to this **contract**, the **goods/services**, **RWE's** site and the **delivery place** (including those relating to health and safety, competition, anti-trust, anti-money laundering, anti-corruption/anti-bribery, foreign trade, export control and sanction laws) (**applicable law**).

3. Non-Exclusivity, Group Benefit

- 3.1 The purchase of **goods/ services** by **RWE** pursuant to this **contract** is on a non-exclusive basis and may be for the benefit of other companies within the **RWE** group of companies (**RWE group**).

4. Term

- 4.1 The **contract** begins on the **start date** and ends when all obligations under the **contract** have been fulfilled (**term**).

5. Delivery

- 5.1 The **Contractor** is responsible at its sole cost and risk including the cost to insure for all transport, loading, collection, handling, storage, packing, unpacking, reception at site and delivery reasonably necessary for the supply of the **goods/services (deliver, delivery)** and obtains and pays for all import permits or licenses required for any part of

the **goods** or the **Contractor's** equipment delivered duty paid (as defined in the Incoterms 2020).

- 5.2 **Delivery** includes the delivery of all tools and documentation (e.g. user manuals, health and safety data) relevant to the **goods/services** and their use.
- 5.3 The **Contractor delivers goods/services** by the time (**delivery date**), at the place (**delivery place**) and in the quantity as set out in the **order**.
- 5.4 Any signature from **RWE** on any delivery note or other documentation presented in connection with the **delivery** of the **goods/services** is evidence only of what has been received and is not evidence that the correct quantity of **goods** has been **delivered** or that **goods/services delivered** otherwise comply with the requirements of this **contract**.

6. Delivery Date

- 6.1 Without prejudice to **RWE's** rights, if the **Contractor** considers that it cannot **deliver** the **goods/services** on the **delivery date**, the **Contractor** must notify **RWE** of the delay as well as the circumstances causing the delay as soon as the **Contractor** can.

7. Instalment Delivery

- 7.1 The **Contractor** may not **deliver** the **goods/services** in instalments unless stated in the **order** or unless **RWE** otherwise agrees in **writing** in advance.
- 7.2 If any of **goods/services** are ordered or **delivered** in instalments, this **contract** for the purchase of those **goods** is treated as a single **contract** and is not severable unless **RWE** says otherwise.

8. Standards/Quality of Goods/ Services

- 8.1 The **Contractor delivers** good marketable title free from encumbrances on all **goods/services delivered** by the **Contractor**.
- 8.2 The **goods/services**:
 - (a) comply with all relevant **applicable law**,
 - (b) adhere to the technical, functional and performance specifications, descriptions, quality standards set out in the **order** or any other document supplied to the **Contractor** by **RWE**;
 - (c) be of satisfactory quality, fit for the purpose generally ascribed to such **goods/services** and also for the purpose specified by **RWE**) and free from any defects;
 - (d) be provided with all due skill and care;
 - (e) not infringe **RWE's** intellectual property rights (including copyright) (**IPR**) or that of any third party.
 - (f) correspond to any description or previous sample supplied by the **Contractor**.
- 8.3 The **goods** are:
 - (a) **delivered** in the quantity as set out in the **order**;
 - (b) be of sound material and workmanship;
 - (c) be new and free from any lien, charge or other encumbrance;
 - (d) be fit for use in conjunction with the **services** (if applicable) and for any other purpose which is indicated in the **order** or otherwise made known to the **Contractor** (in each case either expressly or by implication).
- 8.4 The **Contractor** passes on the benefit of all manufacturers' and any other relevant third party warranties or guarantees to **RWE** in relation to the **goods/services**.

9. Labelling, Advice Notes and Packaging of Goods

- 9.1 The **Contractor** clearly marks the **goods** with **RWE's** name, address, **order** number and with an advice note (detailing the name or description of the **goods**, transport, the number of items per component, weight, number or volume and point and date of dispatch) and any other information **RWE** notifies to the **Contractor** that **RWE** requires and makes it clear that the **Contractor** is the supplier of them and the date and place of manufacture, where relevant.
- 9.2 The **Contractor** properly labels the **goods** and supplies them with all necessary warnings, instructions and other information relevant to their storage and use including, where applicable, any onward transport and/or lifting requirements.
- 9.3 The **Contractor** notifies **RWE** about any hazards to health, safety or the environment with full details of the hazardous content or nature of the **goods/services** and details of correct measures to be taken in the event of exposure or spillage.
- 9.4 The **Contractor** properly packs the **goods**, secures them and transports them in such a manner as to enable them to reach the **delivery place** in good and new condition.
- 9.5 **RWE** does not need to return to the **Contractor** any packaging materials used in the transportation or **delivery** or supply of **goods/services**.
- 9.6 The **Contractor** removes and disposes of any waste in compliance with relevant **applicable law**.

10. Inspection and Testing

- 10.1 **RWE** may include testing and inspection requirements in **RWE's order**. If none are stated in **RWE's order**, the **Contractor** will allow **RWE** to inspect and test the **goods/ services** (and if necessary, re-test and re-inspect) where and when **RWE** deems it is appropriate to do so or as otherwise required by law.
- 10.2 Where **RWE** tests or inspects or attends **Contractor's** tests or inspections, **Contractor** co-operates with **RWE** and gives **RWE** access to all relevant places, documents and any other information. If a fault is found, **RWE** may recover any of **RWE's** costs from the **Contractor** to re-inspect and/or re-test. If, to resolve a dispute or otherwise, **RWE** arranges an independent person to test, inspect, re-test or re-inspect the **goods/services**, then the **Contractor** and **RWE** are each bound by the outcome of such independent test or inspection. Any test or inspection that **RWE** attends or arranges is not an admission or an **acceptance** by **RWE** that the **goods/services** comply with this **contract**.

11. Title and Risk

- 11.1. Title and risks to **goods** pass to **RWE** upon **delivery** to the **delivery place**. This is without prejudice to simple retention of title in the **Contractor's** favour.
- 11.2. The **Contractor** keeps **goods** insured for their full replacement value until risk passes to **RWE**. Any **goods** damaged or lost in transit is the **Contractor's** responsibility.

12. Price, Invoicing and Payment

- 12.1. In consideration of the successful **delivery** of the **goods/services**, **RWE** pays the price in the fixed price amounts, at the rate and/or at the frequency set out in the **order (fee)**.
- 12.2. The **fee** is exclusive of value added tax (**VAT**) but is inclusive of all other matters including freight, insurance and other **delivery** costs and out-of-

pocket expenses including subsistence, accommodation, supply of equipment or tools, payment of the **Contractor's** staff (including salaries, wages, bonuses and other emoluments, statutory charges and levies, pension provisions, overtime or payments for working unsociable hours) and compliance with all obligations under this **contract**.

- 12.3. The **Contractor** takes into account all materials and activities required to supply the **goods/services**, all its costs and expenses and all its obligations under this **contract** in setting the **fee**.
- 12.4. The **Contractor's** invoices must show date, invoice number, the **Contractor's** name and address, **VAT** breakdown, **order** number, **fees** and the **Contractor** supplies all other information or supporting documentation that **RWE** may reasonably require.
- 12.5. The **Contractor** sends its invoices in the format and to the address as required by **RWE** in the **order**.
- 12.6. **RWE** pays invoices within thirty (30) days from date of receipt. If **RWE** disputes an invoice, **RWE** may withhold payment of the disputed amount until resolution.
- 12.7. If payment is not made on undisputed amounts when due, the **Contractor** may charge interest at the rate according to the French **applicable law**.
- 12.8. Any sum payable under this **contract** for a taxable supply is exclusive of **VAT** payable on it and the recipient of the supply shall pay an amount equal to such **VAT** in addition to any such sum on receipt of a valid **VAT** invoice from a supplying party.
- 12.9. **RWE** may at any time set off any of the **Contractor's** liability to **RWE** or to **RWE group** against any liability that **RWE** or **RWE group** may owe to the **Contractor** and **RWE** informs the **Contractor** if **RWE** makes any such set off. Any payment does not affect any rights or obligations of either the **Contractor** or **RWE** and does not mean **RWE** accepts that the **Contractor** has fully complied with its obligations under this **contract**.

13. Change and Variation

- 13.1. **RWE** may, in **writing**, request a change to these **GTC** and/or an **order** (including a **delivery date** or a **delivery place**) in each case at any time prior to the **delivery date**.
- 13.2. Where a change is requested and is not material, the change is made with no adjustment to the **fee** or **delivery date** unless **RWE** so agrees. Where a change is requested and is material, **Contractor** and **RWE** shall seek to agree the change including any change in the **fee**, the **delivery date** or the **delivery place**.
- 13.3. If **Contractor** and **RWE** are unable to agree any change and **RWE** instructs **Contractor** in **writing** to implement it, **Contractor** may recover any direct loss, costs and expenses incurred in implementing the change subject to the production on request of documentary evidence of such direct loss, cost and expenses and subject always to a cap of no more than a sum equivalent to 50% (fifty percent) of the **fee** that would have been payable had there been no change unless **RWE** agrees otherwise.
- 13.4. If **Contractor** and **RWE** are unable to agree a change and **RWE** does not instruct **Contractor** in **writing** to implement it, then either **RWE** does not proceed with the change or **Contractor** or **RWE** can escalate the matter for resolution and if no agreement is reached via escalation, **RWE** may

elect either not to implement the change or instead, to terminate the **contract** for no fault.

- 13.5. Subject to the above provisions of this **condition**, no variation of this **contract** or any part of it is valid unless it is in **writing**, expressed to be a variation to this **contract** and signed or approved by or on behalf of each of **Contractor** and **RWE**.

14. Guarantee

- 14.1. **Contractor** guarantees that **goods/services** will be and remain compliant with this **contract** for a minimum of twenty-four (24) months from **delivery** or any longer period if set out in the **order** (**guarantee period**).
- 14.2. Where any **goods/services** are repaired or replaced, the **guarantee period** commences again on **delivery** of any repaired or replaced **goods/services**.

15. Default and Remedy

- 15.1. If **Contractor** does not comply with any **applicable law** or any of these **GTC** (including if **goods/services** are not **delivered** or completed by the **delivery date**) or if during the **guarantee period**, **RWE** finds a defect in design, materials or workmanship (together or separately a **default**) then **Contractor** is liable for **RWE's loss** suffered as a result of that **default**. Where **RWE** is able to, without it causing **RWE** additional **loss**, **RWE** will notify **Contractor** of the **default** and ask **Contractor** to repair or rectify it if **RWE** thinks the **default** is capable of remedy.
- 15.2. **RWE** may, without prejudice to any other rights and remedies in this **contract** or at law on written notice to **Contractor** with **RWE's** reasons:
- (a) suspend **delivery** or supply of **goods/services** for any period reasonable in the circumstances;
 - (b) ask **Contractor**, at **RWE's** discretion, to replace/rectify the **default** within **RWE's** reasonable timescale required where possible; and/or
 - (c) if **RWE** does not think **Contractor** will be able to replace/rectify the **default** or if **Contractor** has tried to do so and failed, **RWE** may itself re-place/rectify the **default** or ask another person to do so; or
 - (d) if **RWE** does not consider that it is possible or appropriate for **Contractor** to replace/rectify the **default** or if **RWE** asks **Contractor** to do so and **Contractor** fails, rejects the **goods/services** (in whole or part) and/or rescinds or terminate the **contract** (in whole or part); or
 - (e) **accept** the **default** in consideration for a reduced **fee** appropriate to take account of the nature and extent of the **default**.
- 15.3. **Contractor** will pay to **RWE** the value of:
- (a) the **goods/services** paid by **RWE** for any cancelled/rejected **goods/services** or if **RWE** terminates or rescinds the **contract**; plus
 - (b) any direct cost incurred by **RWE** in relation to the **default** including any additional cost to **RWE** to replace or rectify **Contractor's** delay or failure; plus
 - (c) any payments due and payable by **RWE** to third parties because **RWE** relied on **Contractor** to comply with **Contractor's** obligations under this **contract**.
- 15.4. Where **RWE** gives **Contractor** notice that **Contractor** is in **default**, **RWE** may, at **RWE's** discretion and if to do so mitigate **its loss** and in

any event without affecting **RWE's** rights, use and/or receive the benefit of any **goods/services** that **Contractor** may already have **delivered**, whether they are in **default** or not, in the usual course of **RWE's** business until **Contractor** replaces and/or rectifies the **default**.

- 15.5. Where the **Contractor's default** causes **loss** to any third party, then the **Contractor** indemnifies **RWE** from any **loss** incurred by or awarded against **RWE** by such third party and no maximum liability cap applies to this indemnity.
- 15.6. Where the **default** relates to **Contractor's** unlawful restraint of competition or any other breach of anti-trust or anti-competitive **applicable law** in each case prior to, during the term or on expiry or earlier termination of this **contract**, **Contractor** shall pay to **RWE** without affecting other rights and obligations either:
- (a) the sum equivalent to 15% (fifteen) of the aggregate **fees** (which as at the **start date** could reasonably be expected to become due and payable on satisfactory performance of the **contract**); or
 - (b) the actual **loss** suffered by **RWE**, whichever is the greater.

16. Insurance

- 16.1. Without prejudice to any rights or obligations under the **contract** or at law, the **Contractor** takes out and maintains insurance in force for the term and for the period of time over which the **Contractor** has continuing liabilities under this **contract** or **applicable law**, with reputable and substantial insurers and of the nature and extent as would reasonably be expected taking into account the nature and extent of the **Contractor's** obligations under this **contract** or **applicable law** and which includes the insurance cover set out in this **condition** below and to be evidenced by certificates of insurance made available to **RWE** within seven (7) days upon **RWE's** request:
- (a) employer's liability insurance in the amount of at least €5,000,000 (five million) for any one occurrence or the amount required by **applicable law**, whichever is higher;
 - (b) public, product and environmental liability insurance including against liability to third parties for any death or personal injury and **loss** of or damage to any physical property including the **goods** in each case arising out of or in connection with the carrying out of the **delivery of goods/services** in the amount of at least €5,000,000 (five million) for any one occurrence;
 - (c) such other insurances as **applicable law** requires.
- 16.2. Deductibles applying under any insurance are for the **Contractor's** account where such deductibles relate to **loss** for which the **Contractor** is responsible under the **contract**.
- 16.3. Where the **Contractor** receives insurance proceeds from the **Contractor's** insurers relating to an insured event under this **contract**, the **Contractor** pays to **RWE** such sums as are claimed from and/or are due and payable to **RWE** from such insurance proceeds and/or uses them solely to replace/rectify any associated **default**.

17. Exclusion and Limits of Liability

- 17.1. Neither the **Contractor** nor **RWE** excludes or limits liability for:
- (a) fraud, willful default or deceit;

- (b) fraudulent or negligent misrepresentation;
 - (c) death or personal injury caused by negligence;
 - (d) any other liability that cannot be excluded or limited by **applicable law**.
- 17.2. Neither the **Contractor** nor **RWE** is liable by reason of any **default** for any indirect or consequential loss or damage in contract or breach of statutory duty, misrepresentation or otherwise arising out of or in connection with this **contract**. Indirect and consequential loss includes but is not limited to: economic loss such as loss of indirect profit, loss of contract, loss of revenue, loss of goodwill, loss of production or loss of anticipated savings.
- 17.3. Any liability of **RWE** to **Contractor** or the **Contractor** to **RWE** in **contract**, tort (including negligence) or breach of statutory duty, misrepresentation or otherwise arising out of or in connection with this **contract** in each case is limited in the aggregate to a sum equal to double the sum of the **fees**. **RWE's** cap on liability to **Contractor** excludes **RWE's** liability to pay **Contractor's fees** which are or become due and payable for **goods/services** that **Contractor** delivers under the **contract**. The **Contractor's** cap on liability to **RWE** excludes the cost to the **Contractor** to fix a defect in the supply of **goods/services**.
- 17.4. Each cap on liability excludes:
- (a) any debt or liability where a separate maximum liability is stated in this **contract**; and/or
 - (b) sums recoverable and/or recovered from insurers in relation to the insurance that is required to be taken out under this **contract** subject to a maximum of the value of minimum level of insurance which this **contract** requires.
- 17.5. The **Contractor** and **RWE** each have an obligation to take such steps as it is reasonably practicable to do so to mitigate any **loss**, costs or expense which **Contractor** or **RWE** may suffer or incur as a result of a **default** and nothing in this **condition** limits or excludes this obligation.

18. Force Majeure

- 18.1. Neither the **Contractor** nor **RWE** are liable for any event beyond their respective reasonable control which was not reasonably foreseeable as of the **start date** and which directly causes **Contractor** or **RWE** to be unable to comply with all or a material part of their respective obligations under the **contract** (**event of force majeure** provided that such event does not arise from **Contractor's** or **RWE's** act, omission or negligence).
- 18.2. An **event of force majeure** is not:
- (a) a strike by or lockout or other industrial dispute or trade dispute involving any of **Contractor staff**;
 - (b) non-supply of **goods** or equipment by any of **Contractor's staff** to the **Contractor** ; or
 - (c) **Contractor's** failure to hire suitably qualified **staff**; or
 - (d) mechanical or electrical breakdown or failure of any of **Contractor's** or **Contractor's staff's** equipment, machinery or plant; or
 - (e) insolvency or similar financial difficulties.
- 18.3. Covid 19 pandemic is itself not deemed to be an **event of force majeure** because it is foreseeable as of the **start date**. Measures to address Covid 19 are to be included in the **contract**. If such measures materially change after the **start date** that change could constitute an **event of force majeure**.

- 18.4. Any other pandemic is an **event of force majeure**.
- 18.5. If either **Contractor** or **RWE** are affected by an **event of force majeure**, **Contractor** or **RWE** as the case may be:
- (a) immediately issues written notice to the other of the nature and extent of the event of force majeure and details of any adverse impacts of it on the ability to perform obligations under the **contract**; and
 - (b) take such steps as are reasonably practicable in all the circumstances and in consultation with each other to prevent, mitigate and reduce to a minimum the adverse effect of any **event of force majeure**.
- 18.6. If:
- (a) written notice in relation to an **event of force majeure** is not withdrawn within thirty (30) days
 - (b) or such other longer period of time as **RWE** may determine; or
 - (c) **loss** is incurred by **RWE** which exceeds in aggregate a sum equal to 50% of the **fees** which would otherwise be due and payable under the **contract** for the **term** but for any disruption or suspension by an **event of force majeure** (or any higher sum as **RWE** may determine),
- then **RWE** may on written notice terminate the **contract** on a no fault basis with immediate effect.
- 18.7. Unless terminated under **condition** 18.6, when the **event of force majeure** ceases, the **Contractor** and **RWE**, in consultation with each other, take such steps as are reasonably practicable in all the circumstances to resume normal performance of their respective obligations under the **contract**.

19. Termination

- 19.1. **RWE** may terminate this **contract** at any time in accordance with the statutory provisions by giving to the **Contractor** written notice.
- 19.2. The **Contract** may be terminated immediately by notice if:
- (a) the **Contractor** or **RWE** is in material breach of any of its obligations under the **contract** and the breach is not capable of remedy; or
 - (b) the **Contractor** or **RWE** is in material breach of any of its obligations and fails to remedy the breach (if capable of remedy) within 14 (fourteen) days of a written notice requesting such remedy (a breach is considered capable of remedy if time is not of the essence in performance of the obligation and if the person in **default** can comply with the obligation within the 30 (thirty)-day period given to comply).
- 19.3. Where **RWE** may terminate the **contract**, **RWE** may instead terminate the **contract** in respect of part only of the **goods/services** and in which case, the **contract** continues in respect of the **delivery** of the remaining **goods/services**.
- 19.4. Any rights to terminate under this **contract** are without prejudice to any other rights **Contractor** or **RWE** may have at law to terminate the **contract** or to **accept** any breach of this contract as having brought the **contract** to an end (including, where relevant, a right to claim repudiatory damages).
- 19.5. Where the **Contractor** is in default because the **Contractor** has demonstrably been involved in unlawful restrictions of competition at **RWE's** expense, then in addition and/or instead of the remedy available to **RWE** under **condition** 15 (*Default and Remedy*) **RWE** may immediately on

written notice either rescind or terminate the **contract**. In the event of rescission, the relevant **applicable law** applies.

20. Consequences of Termination

20.1. Termination or expiry of the **contract** will not:

- (a) affect any rights or liabilities accrued as at the date of expiry or earlier termination;
- (b) prejudice other rights or remedies (under these **GTC** or otherwise); or
- (c) affect the coming into force or the continuation in force of any provisions which expressly or by implication are intended to come into force or continue in force on or after the termination or expiry.

20.2. On termination or expiry, **Contractor**:

- (a) immediately **delivers** to **RWE** any **goods/services** that **RWE** have paid for;
- (b) discontinues the provision of further **goods/services**; and
- (c) promptly returns to or provides **RWE** with any and all of **RWE** or **RWE** group's confidential information, personal data and/or property including **IPR** group then in **Contractor** or **Contractor staff's** possession or control. Until they are returned, **Contractor** is solely responsible for their safe keeping and will not use them.

20.3. On any termination or expiry and subject to **condition** 20.5, **RWE** shall pay the **Contractor** the **fees** due and payable pro rata for any **goods/services delivered** (and not cancelled or rejected) and not yet paid for as at the date of expiry or termination.

20.4. On any early termination, **RWE** shall have no liability to pay the **Contractor** for any other sums including any indirect or consequential **loss** arising out of or in connection with such termination except that, if **RWE** terminates at will or if **Contractor** terminates because **RWE** are in material breach, then **RWE** will pay **Contractor** for any cost or expense **Contractor** is already contractually committed to and directly incurred by **Contractor** on the reasonable expectation that the **contract** would not terminate prior to the expiry of its **term** provided that **Contractor** provide on request documentary evidence of such cost and expense and provided further that **RWE** shall not pay **Contractor** any sum that exceeds the sum equivalent to 90% (ninety) the **fees** for the balance of the term and which would have been due payable had the **contract** not terminated early;

20.5. Where **RWE** terminates for **Contractor's default**, **RWE** may recover from the **Contractor**, to the extent not already recovered, the sums set out at **condition** 15 (*Default and Remedy*) and the **Contractor** will also pay to **RWE** any consequential **loss** incurred by **RWE** as a result of the termination.

21. Contractor's Staff

21.1. There is no **contract** between **RWE** and any of the **Contractor's** employees, directors, officers, agents, personnel, staff, contractors, sub-contractors or other workers (**staff**).

21.2. The **Contractor** makes appropriate deductions for tax and insurance contributions from the remuneration which the **Contractor** pays to its **staff** that it employs.

21.3. The **Contractor** ensures that:

- (a) it supplies its **staff** with all vehicles and necessary safety and other tools and

equipment that they need to **deliver** the **goods/services**;

- (b) all vehicles, equipment and other tools that the **Contractor** and its **staff** use to **deliver** the **goods/services** are in a good, legal and serviceable condition;
- (c) its **staff** are suitably qualified, competent, skilled and experienced and are trained and able to **deliver** the **goods/services** and drive the vehicles, handle the **goods** and all tools and equipment needed to **deliver** the **goods/services** safely and in compliance with this **contract**;
- (d) it puts procedures in place to ensure that its **staff** are able to understand and comply with oral and written instructions given by **RWE** including those which relate to health and safety; and
- (e) it puts in place suitable precautions to prevent damage to property or injury to person.

21.4. Prior to any **staff** performing the **services**, the **Contractor**, to the extent lawful, ensures that each member of the **Contractor's staff** satisfies any checks which are appropriate according to good industry practice or which are reasonably notified by **RWE** to the **Contractor**. Such vetting requirements include but are not limited to: checking identities, rights to work, references, qualifications and driving licences. The **Contractor** keeps records of such checks and shows the records to **RWE** if **RWE** asks to see them.

21.5. The **Contractor** provides any information reasonably and lawfully requested by **RWE** in relation to the **Contractor's staff** who **deliver** the **services** within ten (10) business days of such request being made.

21.6. The **Contractor** ensures that its **staff**:

- (a) comply with **RWE's** local security and safety arrangements; and
- (b) carry out their duties so as to cause minimum disruption to **RWE's** business operations.

21.7. **RWE** may at any time on notice to the **Contractor** remove or request the removal from **RWE's** premises of any individual whom, in **RWE's** reasonable opinion, is not qualified or competent to be present on **RWE's** site or who at any time acts in a way that contravenes **RWE's** safety or security processes or policies, causes or may cause injury to others or damage to property or who poses any other safety or security risk. The **Contractor's** obligations continue and are not reduced or changed if **RWE** removes or requests such removal.

21.8. The **Contractor** indemnifies **RWE** and **RWE** group on a full indemnity basis against any loss, liability, damage, expense, claim, fine, demand, proceeding, charge, fine, penalty, demand or cost (including legal fees)(**loss**) suffered or incurred by **RWE** (and/or **RWE** group) as a result of any failure by the **Contractor** or its **staff** to comply with the **Contractor's** obligations under this **condition**.

21.9. Any breach of this **condition** is a material breach and **RWE** may terminate this **contract** for **Contractor's default**.

22. RWE Materials Ownership

22.1. All information, specifications, drawings, sketches, models, prototypes, samples, tools, designs, technical information or data or other proprietary information or **IPR** (whether written, oral or otherwise and including personal data) (**RWE materials**) obtained by the **Contractor** or made
